# Acknowledgement of Obligations

Dear Parents & Guardians of Programme Applicants,

CISV offers programs unlike other summer camp experiences. They aim to develop individual and group learning and action consistent with the CISV philosophy of peace through global friendship.

Involvement in CISV is much more than a travel opportunity. Preparing for your program requires a commitment for both this year and the following year. Involvement with CISV Victoria local activities and programs ensures youth are prepared for a successful programme experience.

It is expected that youth members will participate in the monthly chapter meetings, weekend mini-camps and other local activities as available.

Below are some of the expectations for travelling delegates:

- Participate in Village or local Junior Branch (JB) activities before and after CISV programme
- Participate in all CISV delegation preparation activities offered
- Participate in April 2019 CISV mini camp
- Participate in June 2019 Oak Bay Tea Party Parade
- Make a CISV presentation at school/youth group after CISV travel programme
- Participate in the September 2019 Peace Night
- Participate in the September 2019 Information Night
- Volunteer (with parental support) to help when CISV Victoria hosts a summer program, e.g. camp set up, clean up, cooking, and homestay hosting (next CISV Victoria camp to be hosted will be in summer 2020)

Parents must also be prepared to participate in CISV activities, such as social, information and fundraising events. All families will be called upon make this year a success. CISV is based on both hosting camps and sending delegations in a reciprocal way. This means that CISV Victoria has to host programs in order to be able to continue as a chapter. Hosting requires lots of local support and volunteering, to make it affordable and successful.

**Parents and community members are volunteering locally, nationally and in other countries to ensure your child has the best CISV experience possible!! Please return the favour.**
